200

A close-up photograph of a laboratory flask containing a yellow liquid. The flask is marked with a blue number '200' and has a red stopper at the bottom. The background is blurred, showing laboratory equipment.

200

A close-up photograph of a laboratory flask containing a clear liquid. The flask is marked with a blue '200' indicating a volume of 200 units. The glass is wet with condensation. The flask is held by a red clamp. The background is blurred, showing other laboratory equipment.
